WARWICKSHIRE GELATO

Clair adores the Italian way of life, the friendliness of its people, the wonderful aroma of roasted coffee and of course, the amazing gelato.

Swirls brings a touch of this to Leamington with its authentic gelato, handcrafted on the premises in small batches using the traditional Italian slow churning process of 'mantecazione', to create a creamier and velvety texture of ice cream.

Our sorbets are dairy-free. Flavours can change daily according to availability and seasonality of raw ingredients.
